

DEFENSIVENESS IS ALWAYS
BASED ON FEAR

Dear Radical Collaboration Trainers

The RC Group and The Human Element Sweden will be hosting a *Radical Collaboration Best Practices Meeting* at my house in Cuernavaca, Mexico on May 18-20, 2015. This Radical Collaboration meeting will follow the International Update for The Human Element which is being held in Playa del Carmen, Mexico, May 13-16, 2015.

All Radical Collaboration certified trainers are invited. The purpose of this gathering is for us to share with each other strategies and tactics that have helped us spread RC throughout the world.

Cuernavaca is located 90 minutes southwest of the Mexico City airport with easy transportation from the airport to Cuernavaca. There are several reasonably priced hotels close to the house and we will be happy to send you information about that.

For more information please contact me at jimtamm@radicalcollaboration.com, or Leif at leif.cervin@thesweden.se

We would love to have you join us.

Warmest Wishes,
Jim & Leif
